Scope

Every section this packet can carry. A section marked Not included was left out when the packet was generated.

- **Included** · **Live fire sessions and qualifications.** Every session in the range, passed and failed, judged against the standard in force when it was logged.
- **Included** · **Remedial training.** Remedial cases, with trigger, outcome, coaching notes and instructors.
- **Included** · **Evaluations.** Skills evaluations with score, threshold and result.
- **Included** · **In-service training.** Defensive tactics, OC, legal and other recurring non-firearms training.
- **Included** · **Range days attended.** Range and training days the officer was rostered on, check-in time, and the lesson plans used.
- **Included** · **Signed and declined forms.** Policies, waivers and acknowledgments the officer signed or declined.
- **Included** · **Officer certifications.** The officer's own certifications on file.
- **Included** · **Instructor certifications.** Certifications of every instructor who ran a session in the range, and whether each was current on that date.
- **Included** · **Weapons, inspections and repairs.** Weapons assigned to the officer during the range, with their inspection, repair and service history in the range.
- **Included** · **Behavioral ratings.** Instructor 1 to 3 ratings recorded on each session.
- **Included** · **Change history.** Who created, edited or deleted each record, and when, from the activity log.

Records are reproduced from the agency's BrassOps training system as they stood when this packet was generated. A session's pass or fail is judged against the standard recorded with it when it was logged, not against the drill as configured today. Dates are calendar dates of the training; times are shown in the agency's time zone. This packet's generation is itself recorded in the agency's activity log under the packet number above.

Live Fire Sessions and Qualifications

5 sessions, every attempt in the range, passed and failed. Verdicts use the standard recorded with each session when it was logged.

Certification of Records Custodian

I, Alex Morgan, Training Lieutenant of Brookside Police Department, certify that:

- 1. I am a custodian of records of Brookside Police Department, or am otherwise qualified by my position to make this certification.
 - 2. The attached pages, identified as packet RRP-20261009-8C5A94, are true and accurate copies of the training and qualification records of Hannah Walsh for the period 2025-10-09 through 2026-10-09, as maintained by the agency.
 - 3. These records were made at or near the time of the events they record, by, or from information transmitted by, a person with knowledge of those events; they were kept in the course of the agency's regularly conducted activity; and making such records is a regular practice of that activity.
 - 4. Sections listed as Not included on the cover sheet were withheld from this production as stated there.
- I certify under penalty of perjury that the foregoing is true and correct.
